

**Patients with asthma:  
Help us help you to manage  
your health and well-being  
through Group Consultations.**

Practice Nurse and Respiratory Lead Lisa Oakes leads  
**Group Asthma Review Consultation Sessions**  
in an informal and relaxed environment. Our next event:

**Friday June 16th 2023**

**10 am to 1 pm**

**Crane Valley PCN Bungalow**

**Benefits:**

- More time with a clinician
- Better patient experience
- Increased confidence in managing your condition
- Opportunity for patients to support each other
- Improved clinical outcomes – meaning your health can benefit from this type of consultation
- Reduction in risk of admission to hospital or A&E attendance

**Places are limited, so book your slot ASAP!**
